

**Announcement of the ninth competition for the**  
***Annemarie Opprecht Parkinson Award***

Ladies and Gentlemen

We are happy to announce the 9<sup>th</sup> competition for the prestigious International Award for research in Parkinson's disease which is sponsored by the Annemarie Opprecht-Foundation (Switzerland).

The Award will be presented in the year 2026 with a sum of 100'000 Swiss francs.

***Deadline for submission is May 31<sup>st</sup> 2026.***

All papers presenting significant results or findings in all areas of research in the field of Parkinson's disease (e.g. Basic Sciences, Epidemiology, Treatment) should be considered for application.

All researchers in the field of Parkinson's disease should learn about this ambitious Award. Therefore, please inform all interested members of your Department/Hospital/Clinic/Laboratory, your co-workers and research-teams active and interested in the field of Parkinson's disease about this unique opportunity. We further would appreciate if you could link your own homepage with the one of the Foundation. Thank you.

**All details regarding the Award such as conditions for submission, addresses, contacts and deadlines can be found on the Foundation's homepage: [www.opprecht-foundation.org](http://www.opprecht-foundation.org)**
